

Faretto da incasso orientabile esternamente. Le sue dimensioni ridotte lo rendono adatto a molteplici usi. Può essere installato a soffitto oppure a parete, così come in vetrine oppure teche. Ideale per l'illuminazione di negozi, gioiellerie, musei ma può essere usato anche come segnapasso per valorizzare e delimitare gli ambienti.

Recessed spotlight with external adjustable optic. Thanks to its small dimensions it is very versatile. It can be installed on ceilings or walls, as the same as window sets or cabinets. Perfect for shops, jewelries, museums or as a walk way light to emphasize the background.
