

# SKYLINE IN

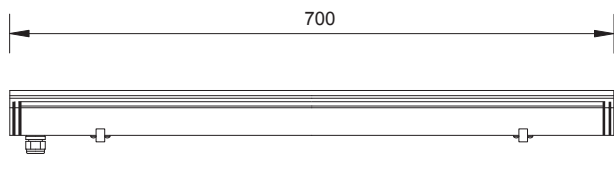

Proiettore da incasso lineare. L'installazione di più apparecchi, a terra o a parete, uno accanto all'altro crea una linea ininterrotta di luce.

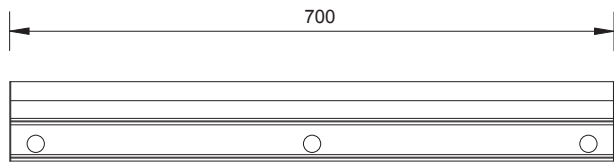

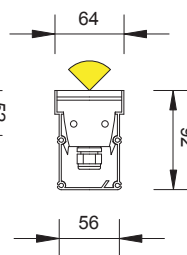

Particolarmente adatto a segnalare percorsi o illuminare pareti.

Verniciatura in polvere poliesteri resistente alla corrosione, agli agenti atmosferici e alle nebbie saline.

*External, drive-over floodlight. The installation of several fittings, inground or into the walls, creates a continuous line of light. This unit is fit to highlight paths or to obtain wall-washer light effect. Polyester powder paint resistant to corrosion, atmospheric conditions and salt spray fog.*
