

ROUND - SQUARE

Faretti da incasso calpestabili, caratterizzati dallo spessore ridotto. Sono adatti all'installazione a pavimento su parquet oppure piastrelle, creando percorsi scenografici. Allo stesso tempo possono essere inseriti in mensole oppure mobili creando giochi di luce.

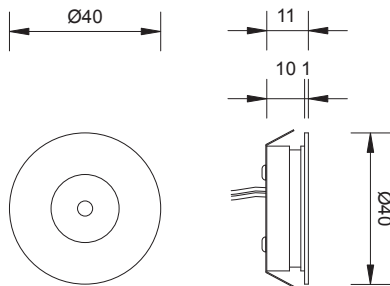

Extremely small walkover spotlights. They have a reduced thickness, they can be applied to parquet or floor tiles where they give scenographic paths. They can also be applied to shelves or furniture creating interesting light effects.
