

MIRA

Apparecchio da incasso calpestabile. Corpo in alluminio anodizzato rivestito in acciaio inox. Emissione di luce radente. Il plexiglass s'illumina creando effetti scenografici. Ideale per la segnalazione di percorsi e l'evidenziazione di ostacoli in aree di transito. Installazione con controcassa.

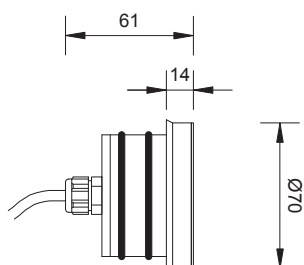

Walk-over recessed fitting, body completely made in anodized aluminium cover in stainless steel. The plexiglass gets lighted creating scenographic effects. It gives a razing light for path lighting or transiting areas. Assembled on outer casing.
